PRISON STORYBOOK PROJECT

Storybook Project is a partnership of the Bolingbrook Campus with the organization JUST of DuPage that ministers in DuPage County Correctional Center. The inmates select a book and record a portion of it for their child, grandchild, niece or nephew. Our team assembles the books and recordings and ships the package to the families. We also include beautiful bookmarks and a personal letter from one of our pastors. In June 2023 alone we sent packages to 30 children! This program allows the family bond to continue even when someone is incarcerated.

FOOD PANTRY

Our Food Pantry at the Bolingbrook Campus, in partnership with the Loaves & Fishes Community Services, continues to grow and to serve more new people. Many are new immigrants from South America and some are connecting into our church family. On one day alone in June 2023, we served 175 households, including 18 new households. We have also started home deliveries for registered people who cannot make it to the Food Pantry for good reasons. One night in June, we served 645 people in the Bolingbrook area, including 210 children.

PARTNERING WITH LOCAL SCHOOLS

After hosting Downers Grove's Indian Trail Elementary School at Giftmart the last two years, the principal asked to talk with us about our Kids Hope USA (KHUSA) program. KHUSA partners with the local church to train and equip volunteers to mentor a child for one hour, one day a week, in the local school. In Spring 2023, we sent eight mentors into Indian Trail under the leadership of our new Community Impact Kids Hope Leader. Our KHUSA program continues with Scott Elementary School in Naperville. In addition to Giftmart, KHUSA is another great way the Naperville Campus strengthens our relationship with local schools in our community.

SUPPORTING FAMILIES THAT FOSTER & ADOPT

Shortly after we began hosting monthly Replanted Groups for families that foster, adopt, or participate in Safe Families, we hosted the Replanted Conference in October 2022 for the first time. One hundred volunteers, along with Replanted leadership, speakers, and our Worship Arts Team, provided a time of inspiration, refreshment, and equipping for 350 attendees from the surrounding area. A handful of those families now come to our church because of their positive experience.

AFFIRMING LIFE

Four people from the Naperville Campus are now trained peer counselors for those who have experienced abortion. Between Mother's Day and Father's Day, the people of our Campus donated hundreds of diapers, wipes, formula, infant clothing and toiletry items. Donations went to two Christ-based diaper banks in our area in support of women who keep their babies.

The service started with school physicals for refugee and immigrant children and others who cannot afford the cost of school physicals in order for their children to attend school. The main role of the clinic is to serve individuals and families in under-resourced communities.

FAMILIES IMPACTED BY PRISON

Radical Time Out is a program of partner Koinonia House. Each week, about 100 people that have been affected in some way by the prison system gather at our Wheaton Campus to worship, study the Bible, and walk with each other in community.
