HERE Community Impact

We are delighted to share the good news about Jesus here, near and far. Our work beyond our walls and into our local neighborhoods, cities and counties is called Community Impact. Here are some 2019 highlights from across our church campuses:

NIGHT TO SHINE

The Compass was one of 650 churches worldwide chosen to host the Tim Tebow Foundation's Night to Shine, a spectacular prom night for teens and adults from our community with special needs. On February 8, leaders from all our campuses teamed up with 300 volunteers to show 60 honored guests the love of God by giving them the royal treatment. The Compass Church has been chosen as a host site again for February 7, 2020.

KIDS HOPE USA

Our Bolingbrook, Hobson and Wheaton Campuses continue to cultivate strong relationships with four local elementary schools (BJ Ward, Henry Puffer, Lowell and Scott) through our partnership with Kids Hope USA, an organization that facilitates mentoring relationships between churches and schools. Our 24 mentors across four schools meet one-on-one weekly with at-risk students, building life-giving relationships through a variety of enriching activities.

FOOD PANTRY

The Compass Church Food Pantry at our Bolingbrook Campus partners with local faith-based, non-profit Loaves & Fishes to serve the community. It supplies practical needs for 30-60 families each week at our campus with a team that ministers and cares for guests. We receive regular feedback from our guests about the dignity and quality of our pantry experience. Also, we now have a new community garden that supplies fresh produce for our guests.

SUMMER NIGHTS

Over an eight-week period this summer at our Bolingbrook Campus we welcomed about 50 people each week from the community for a time of food, games and various fun community activities. Guests had a great time connecting with the large group Bible study at the end of each evening.

REBUILDING TOGETHER AURORA

In collaboration with local non-profit Rebuilding Together Aurora, in April, over 60 volunteers from The Compass Church transformed three homes of under-resourced families in Aurora's First Ward, and provided upgrades to Rollins Elementary School in Aurora. Over two days, teams worked together to scrape, paint, repair, rebuild, dig, fix and refurbish these properties and love on these neighbors in east Aurora.

FAMILIES FACING HOMELESSNESS

Dozens of teams from our Hobson Campus make and serve dinner two times monthly for the 50-70 family members staying at Hesus House, a homeless shelter in central Aurora. We've also hosted a handful of project days this year, which included landscaping, gardening, painting, cleaning and organizing.

GIFTMART

In partnership with non-profit Giftmart, a re-imagined holiday shop, over 100 volunteers from our Hobson Campus teamed up to provide an opportunity for 84 under-resourced families at Ellsworth, Naper and Scott Elementary Schools in Naperville to buy toys for their children in a dignified manner. All money raised was donated to the participating schools.

DUPAGE CARE CENTER

At Christmastime, our Wheaton Campus hosted a giving tree to provide gifts for over 50 residents at the DuPage Care Center, a treatment and rehab center for the chronically ill. Those gifts were lovingly distributed by members of our church.

NAOMI'S HOUSE

A team from our Wheaton Campus worked together to clean up, do yardwork and plant donated trees at Naomi's House, a residential community for women rescued from sexual exploitation.

NEAR **CompassNational**

Our work across the country will be part of a new ministry department at our church starting Fall 2019, called CompassNational. Here are some of the relationships and partnerships CompassNational will oversee moving forward:

DENOMINATIONAL ENGAGEMENT

Our church is part of the Evangelical Free Church of America denomination, a movement of about 1,300 like-minded churches. We were privileged to be the host church in June 2019 for our denomination's national gathering called EFCA One, with over 1,500 pastors, missionaries and church leaders being trained, refreshed, and encouraged at our church.

The Compass Church is part of the Great Lakes District, a grouping of about 200 EFCA churches in Illinois, Indiana, Michigan and Ohio. We have close ties to the leadership of our District. We have a passion for helping other EFCA churches in the Midwest with the basics of church birth, growth, depth and health.

TRAINING SENIOR PASTORS

Pastors Jeff and Darrell have been leading a monthly mentoring group of about eight EFCA Senior Pastors in Chicagoland over the past two years.

HELPING ETHNIC CHURCHES

We have built a relationship with Iglesia Filadelfia, an EFCA church in Franklin Park, IL that worships in Spanish. Among other things, we helped them with a Vacation Bible School program this summer. We have a ministry support connection with Jonathan Pierson, the Senior Pastor of Iglesia Filadelfia, and his wife Erimar.

HELPING CHURCH-PLANTING CHURCHES

We are building a relationship with Restore Church, an EFCA church in Detroit, MI. They started 9 years ago in an under-resourced neighborhood, as the city was in vast decline. Since then they have helped another new EFCA church get started in Detroit.

HELPING CHURCH PLANTERS

Cornerstone Church in Detroit, MI is an EFCA church that started two years ago through the help of Restore Church. We are actively seeking ways to serve Cornerstone, as well as another church planter that will be starting a church in Detroit, through the influence of Restore Church.

Ritch Sandford is the church planting Senior Pastor of The Mission Church in South Jordan, UT – a Salt Lake City suburb. Ritch is a former Campus Pastor for our church. Students from Compass have helped The Mission Church with a Vacation Bible School program each summer for the past 6 years.

SUPPORTING FAITH-BASED NON-PROFITS

Pacific Garden Mission in Chicago, IL started in 1877. It is the oldest continuously operating gospel rescue mission in the country.

Andrew & Bekah Cedarleaf are on the administrative staff at Camp Bighorn; a gospel-focused wilderness student retreat in Montana.
