While engaging in the CompassLocal side of life at The Compass Church, this internship also includes mentorship as you create your path within vocational ministry. While interning, develop relationships within a cohort setting of other interns across various ministry areas at our six Campuses. Enjoy fellowship and mentoring each week as your Cohort Leaders guide your understanding of life within the vocation of Christian ministry through group dinners, guest speakers and discussion on ministry life.

This internship offers practical experience while providing ministry support in all aspects of CompassLocal focused out of our Central Offices. Projects could include strategic planning, collaborating on serving opportunities or engaging with our congregation to promote our ministry. Be a part of working with volunteers that have a heart for being the hands and feet of Jesus at The Compass Church. This intern should exhibit a high level of connectivity to engage with our congregation.
