Wheaton Campus Sat 6p, Sun 8:30 & Sun 10:15a

We are seeking to reopen our CompassKids Ministry on September 12/13.

We are implementing the following safety measures:

- We ask that you self-assess before coming to church. If you are exhibiting any sickness related symptoms (Covid-19 or not), please stay home and watch our services online at live.thecompass.net.
- Masks are required at all 12 of our services and throughout the buildings (for ages 2 and up).
- If you forget your mask, we will have disposable ones available along with plenty of hand-sanitizer.
- Our aim is to provide a touchless environment. Seat backs will be empty, and we will not be passing out Navigators or other papers. We ask that you continue to fill out your Connection Card via The Compass App.
- We will not be passing offering receptacles. We appreciate your online giving! We are also installing giving boxes at the back of each Worship Center.
- Each Worship Center will have its own process in place for seating you safely 6 ft apart. We ask that you follow seating instructions so we can provide social distancing for everyone on the way in as well as on the way out of the room.
- We will ask everyone to leave the Worship Centers after each service so that they may be closed for extra cleaning. We will be doing extra cleaning in our Atriums and restrooms as well.
- We will have some fun color-coded bracelets available on your way in to help you let others know of your distancing preferences.

As we move to both in-person and online services, we need to adjust our online service times which include the chat feature.

Compass Online Sundays with chat: 9, 10, 11a at live.thecompass.net

There will no longer be a Saturday 5p online service with chat.

Our services will continue to be on-demand via YouTube beginning Sunday mornings at 8a.
