WEEK 3

VISION

INTRODUCTION

We have all read about, heard about or experienced a group of people who were mobilized to accomplish an extraordinary challenge together that they could have never accomplished by themselves. They were people with a shared vision for the future.

Our vision for the future is clear when we can answer these questions: what's next, why is it next, what will it take to get there, and what's my part?

Nehemiah was a man who observed a clear need and prayerfully sought God for a clear vision to change the destiny of his friends.

SCRIPTURE PASSAGE

NEHEMIAH 2:11-18 (NIV)

NEHEMIAH INSPECTS JERUSALEM'S WALLS

¹¹ I went to Jerusalem, and after staying there three days ¹² I set out during the night with a few others. I had not told anyone what my God had put in my heart to do for Jerusalem. There were no mounts with me except the one I was riding on.

¹³ By night I went out through the Valley Gate toward the Jackal Well and the Dung Gate, examining the walls of Jerusalem, which had been broken down, and its gates, which had been destroyed by fire.

¹⁴ Then I moved on toward the Fountain Gate and the King's Pool, but there was not enough room for my mount to get through; ¹⁵ so I went up the valley by night, examining the wall. Finally, I turned back and reentered through the Valley Gate. ¹⁶ The officials did not know where I had gone or what I was doing, because as yet I had said nothing to the Jews or the priests or nobles or officials or any others who would be doing the work.

¹⁷ Then I said to them, "You see the trouble we are in: Jerusalem lies in ruins, and its gates have been burned with fire. Come, let us rebuild the wall of Jerusalem, and we will no longer be in disgrace." ¹⁸ I also told them about the gracious hand of my God on me and what the king had said to me.

A FAMILY ACTIVITY & DISCUSSION GUIDE

Find a maze activity online and have your child complete it. Another option would be for your child to create their own maze for you to do.

Nehemiah 2:11-18

As soon as Nehemiah arrived in Jerusalem, he went out at night on a secret hike around the broken-down walls. Just like the maze, he had to walk around big rocks that were blocking his way. It would have been easy to give up after seeing all the destruction, but when Nehemiah finally made it around to the other side, he shared his vision for the people to rebuild the wall!

- Why do you think Nehemiah wanted to go out at night to see the broken-down walls?
- Nehemiah had a vision for how the people could rebuild the wall. Have you ever had an idea or vision for doing something? What was it?
- Could Nehemiah rebuild the wall by himself? Why not?
- When was the last time you saw a job too big for you to do by yourself?
- Do you think it would be fun to go visit the place where our church wants to build our South Naperville Campus? (It is located on the corner of Rt 59 & 103rd Street in Naperville).

Let's pray that God would give lots of people the shared vision for why we want to build a new church building.
