## **Kicking It Off:**

What's a small moment from this past week that brought you joy or made you feel grateful? Share a quick story with the group.

## **Discussion:**

1. What made you laugh from this week's sermon?
2. Read the key text passages from Scripture: Revelation 2:1-7. What jumps out to you? (You can use BibleGateway.com if you don't have a Bible handy.)
3. Has there been a situation or circumstance in your own life where you experienced what these verses are teaching? If so, describe that for your group.
4. What was your main takeaway from this weekend's message?
5. Jesus called the Ephesians to repent and "do the things you did at first" to restore their love for Him. What are some practical steps you can take to return to the enthusiasm and devotion you felt when you first surrendered to Christ?

## **Wrapping It Up:**

Take a moment to share any good news reports or answers to previous prayer requests. Then spend time praying for each other as a group so that God might encourage and equip you in your faith journey, and to help more people find and follow God.

"We ought always to thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more, and the love all of you have for one another is increasing." — 2 Thessalonians 1:3 (NIV)
